

SCENTYS

Excellence in Fragrance Diffusion

PRYSM

THE NEW WAY TO
ENJOY FRAGRANCES

AS SLEEK LOOKING AS A HIGH-TECH SPEAKER, AS EASY-TO-USE AS AN ESPRESSO MACHINE

Prysm is an electric diffuser for fragrance in capsules:

- Patented dry diffusion technology inside for subtle diffusion with no traces
- Easy-to-use and intuitive, generates fragrant air as soon as it is switched on
- Modern and elegant enough to fit anywhere, battery-operated for mobility

A FRAGRANCE TO SUIT YOUR EVERY WHIM

Prysm can be used with any of the 25 original and subtle fragrances in the Scentys collection. Created by the biggest perfumers, each of these scents creates a unique olfactory experience.

Brands can also use Prysm to express their identity with a signature scent.

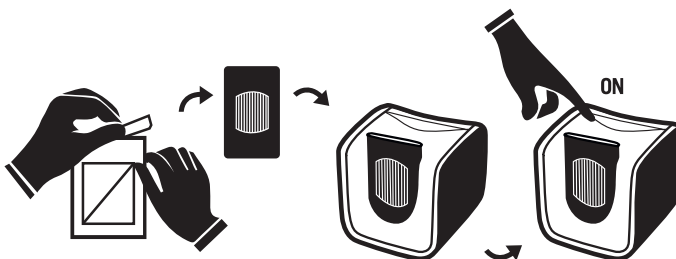

TECHNICAL SPECIFICATIONS

PRYSM: SCENTYS EXPERTISE IN CONCENTRATED FORM

- Dry diffusion with no heating, no alcohol or solvents, perfectly recreating each scent
- Capsules made in Paris filled with pure fragrance concentrate for optimal safety
- Diffuser created by a renowned designer for unequalled elegance and refinement
- Noble materials that are soft and resistant

Scentys experts worked hard to make Prysm as intuitive and ergonomic as possible.

Easy to clean and sturdy, Prysm reinvents the settings where it is used every day.
